

# Following in Darwin's footsteps...

**Darwin's Lookouts**  
“ We've been taking a good look at plants and their parts, and this is what we noticed...”

**Darwin's Thinkers**  
“ We've been thinking about plants and what they mean to us, and this is what we think...”

**Darwin's Investigators**  
“ We've been investigating seed dispersal and germination, and here are our results...”

**Darwin's Discoverers**  
“ We've been finding out about seeds and how plants grow, and this is what we discovered...”

**Darwin's Collectors**  
“ We've been to different places plants grow in and we've been collecting specimens, and here is what we collected...”

**Darwin's Plant Detectives**  
“ We've been trying to solve a mystery. Here's some of the experiments we tried out and this is what we found...”
